Society of Army Physician Assistants
"A Civilian Organization Representing Army PA's"
Office of Refresher Course Coordinator
P.O. Box 623
Monmouth, IL. 61462

April 10th, 2011

Dear Attendees:

It gives me great pleasure to welcome each of you to the Society of Army Physician Assistants' 32nd Annual Physician Assistants Refresher Course.

As the Conference Chairman, I hope you will find this refresher course both challenging and relevant in your role as a health care provider. The agenda has been structured to address those areas that require frequent update in the ever changing field of medical and health care delivery. The program provides lectures given by guest speakers from leading medical schools and clinical practices across the nation.

Society of Army Physician Assistants wishes to express our thanks for your participation in this extremely valuable academic endeavor. Your interest and attendance have contributed greatly to the success of this program.

Again, we welcome each of you to this course and hope you will have a fulfilling week.

Sincerely,

Orrie R. (Bob) Potter, PA-C, MPAS
SAPA Conference Coordinator

DISCLOSURE

This Program was supported by unrestricted educational grants from the supporters and patrons listed later in this brochure. The material presented at this SAPA continuing education course is made available by the Society of Army Physician Assistants for educational purposes only. Faculty are required to disclose whether or not they, or their department, receive something of value from a commercial supporter or other party that relates directly or indirectly to the subject of their presentation.

If you need to utilize meeting space, please contact the chief moderator or the conference director for availability.

PURPOSE

The Thirty-second Annual Society of Army Physician Assistant Refresher Course is dedicated to the education of the Physician Assistant (military and civilian) involved in all facets of Primary Care. This course is designed to present a broad spectrum of material of direct pertinence to all physician assistants providing a substantial amount of primary care medicine in both a public and private setting.

CME

This Program has been reviewed and is approved for a maximum of 35 hours of Clinical, Category 1 (Pre-Approved) CME Credit by the American Academy of Physician Assistants. Physician Assistants should claim only those hours actually spent participating in the CME activity.

This Program was planned in accordance with AAPA's CME Standards for Lecture-Learner Programs and for commercial support of Lecture-Learner Programs.

FEES

Please see Mr. Pat Malone, Mr. Bob Potter, or the SAPA Staff in the SAPA Office for information concerning fees for any various activities.
