

Selecting SAPA as your Constituent Organization

Be heard at AAPA!

The AAPA House of Delegates is responsible for enacting policies establishing the collective values, philosophies, and principals of the PA profession.

Every January 31, the number of fellows in a chapter determines the number of votes that chapter has in the following year's HOD.

To make sure SAPA is represented, log in to your AAPA Account and select your "Army" under "Professional Information."
